

ITB 16-071 Aruba Networks Products & Services

Question 1) Attachment 1 – this is mainly for reference, correct? If there exceptions to any of the language this must be clearly called out?

ICN Response: Correct and Attachment 1 will be the terms and conditions applicable to any resulting contract.

Question 2) Attachment 2 – this is for identifying any exceptions as well, correct?

ICN Response: Yes, any exception to the T&C's of Attachment 1 should also be noted in Attachment 2.

Question 3) It seems there are no professional services involved with this quote, correct? Other than a listing of services that are available from my organization with associated hourly or project pricing, this is what we need to respond with?

ICN Response: In Section 3.3.1 there is a SKU identified for professional services. Section 3.3.2 and 3.3.4 ask vendor to identify professional services that are related to the Aruba product and services.
